According to the Leader newspaper dated 5 December 2012 -  
Crime is on the rise in both Glen Eira & Kingston. Latest Victoria police  
Statistics show the Bayside region is up 20% on last Year. There has been an  
increase in burglary, theft from motor vehicles & drug crime.

**HANDY HINTS**

Do not keep large amounts of cash onsite, keep it in the bank. A cheque  
book can be used in emergencies.

Banks will keep an envelope for you in their vault—put your expensive &  
sentimental jewellery inside. Especially when going away on holidays.

When using an ATM shield your pin - hold your other hand over keypad.  
Keep documents in a lockable filing cabinet.

Install, repair or upgrade alarm system & always use every day.

Always ask for & check references for new staff & tradesman.

**HOLIDAY HINTS**

Divert home phone to your mobile.

A timer connected to a power board will turn a light & a radio on & off.  
Tune the radio to a talkback station.

Be nice to your neighbours, offer to empty their mailbox & ask them to  
empty yours. Tell them your dates of travel. Swap phone numbers.

Arrange for the lawns to be mowed.

Do not put travel plans or personal information publicly on facebook or  
social media.
